Re: Hurricane Irma Statement  
Update on County Offices –Extended Closure

Dear Brooks County,

I have extended the closure of all County Offices to include Monday, September 11 and Tuesday, September 12. At this time, we will monitor the situation and make every attempt to resume normal operations on Wednesday, September 13<sup>th</sup> at 8 A.M. This decision is based upon the projected timeframe in which Irma will move through our area. As of 10 P.M. Saturday, October 9, 2017, it is scheduled to be a Cat 1 storm in our area at 2 P.M. Monday, the 11<sup>th</sup>.

Smartphone users, I recommend you download the Code RED Weather Alert app on your Android or iPhone device. Once you have registered for the service, make sure you enter the settings options and add under the Wind tab for Hurricane and Tropical Storm alerts. You should also considering adding alerts for Flash Flooding. As the storm slides west, it will bring more rain to our area and a chance for tornadoes.

Be Safe and God Bless,

Justin DeVane  
County Administrator
